Socialism (*sō'shāliz'm*). [a. F. *socialisme* (1832), or independently f. SOCIAL a. + -ISM. See also next.]

The early history of the word is somewhat obscure. The first use of *F. socialisme* appears to have been in the *Globe* of 13 Feb. 1832, where it was employed in contrast to *personalité*. In its modern sense it is variously claimed for Leroux or Reybaud, writing within three or four years after this. A different account, assigning the priority of this use to England, is given in the *Encycl. Brit.* (1887) XXII. 295; according to this the word originated in 1835 in the discussions of a society founded by Robert Owen.

1. A theory or policy of social organization which aims at or advocates the ownership and control of the means of production, capital, land, property, etc., by the community as a whole, and their administration or distribution in the interests of all.
